

## SHELTER FRIENDS CAMP

Shelter Friends is a fun-filled summer camp for kids. It is a wonderful way for kids to learn all about the SPCA of Central Florida, animals and how to be a responsible pet owner. During camp, kids will learn all about the animals at the shelter and how we take care of them. Activities include crafts, games, spending time with our dogs and cats, awesome speakers, and a great field trip. By the end of our camp, your kids will be excited to share what they have learned about treating animals with kindness.
